Cultural Arts Grant Program

Guidelines and Procedures
2019

INTRODUCTION

The City of Lubbock's **Cultural Arts Grant Program**, as administered by Civic Lubbock, Inc., provides local cultural organizations with financial support for projects that promote tourism and the arts and humanities in Lubbock. This is done in an effort to contribute to Lubbock's growing reputation as a regional cultural and entertainment center.

Please be advised that funding for the City of Lubbock's **Cultural Arts Grant Program** comes from Hotel Occupancy Tax (HOT). Hotel Occupancy Tax is collected from local hotels, motels, and bed and breakfast inns. The revenues from Hotel Occupancy Tax can only be used for certain expenditures as outlined by law of the State of Texas. Therefore, in order to receive funding from the **Cultural Arts Grant Program** each project must show that it:

1. Directly promotes tourism and the convention and hotel industry, and
2. Involves the encouragement, promotion, improvement, and application of the arts, including instrumental and vocal music, dance, drama, folk art, creative writing, architecture, design and allied fields, painting, sculpture, photography, graphic and craft arts, motion picture, radio, television, tape and sound recording, and other arts related to the presentation, performance, execution, and exhibition of these major art forms.

Civic Lubbock, Inc. accepts **Cultural Arts Grant Program Applications** from groups meeting the above criteria and wishing to receive HOT funds. Priority in funding will be given to those events that demonstrate the ability to generate overnight visitors to Lubbock. Civic Lubbock, Inc. also encourages all event organizers to patronize Lubbock businesses for food, supplies, materials, printing, and other services that add to the local economy.
